Geneva, 15 December 2011

Dear President,

I am very pleased to inform you that the FIA General Assembly, which convened in New Delhi on 9 December 2011, voted in favour of the affiliation of the Automobile Federation of Macedonia (AFM) as an FIA member club in compliance with Article 3.3 of the FIA Statutes on a two-year provisional basis.

I take the opportunity of this letter to welcome you to the FIA family and I look forward to collaborating with you in the future. The FIA recognises the value that our member Clubs bring to the Federation, and I hope you will find affiliation with the FIA to be of value to your Club.

As I intend to come and visit you within the next few months, my office will make contact with your club shortly in this respect.

Please do not hesitate to contact the FIA administration, should you have any questions.

With best wishes,
